Our Mission

To give food with kindness and compassion to those seeking assistance while providing an opportunity for volunteers to serve their neighbors in Charlottesville and surrounding communities.

Photograph by K Finn, Charlottesville Porchraits
Message from the Chair

Dear Friends,

I would like to begin this message by sharing what makes Loaves & Fishes the incredible organization that it is - our two-part mission focused on neighbors nourishing neighbors.

Loaves & Fishes’ mission is to give food with kindness and compassion to those seeking assistance while providing an opportunity for the community to serve their neighbors in Charlottesville and surrounding areas.

The nourishment in our mission is not only the food that is provided, it is also the joy that comes from being a part of such a wonderful mission as a volunteer, donor, board member, or staff member.

I still vividly remember my first time reporting for a volunteer shift at Loaves & Fishes. It was around 2008 and I remember it being cold, so it must have been in the winter. I approached a loading dock behind Jackson-Via Elementary School not knowing what to expect but was quickly welcomed in by the more experienced volunteers and given a job. We moved tables around in a classroom and then pulled food from a storeroom to distribute. Most volunteers packed bags of shelf stable goods which were distributed by the bag based on family size; I worked a small table with our only perishable items - that day we had packages of frozen chicken breasts. We probably only served 30 families, but the words of thanks and grateful looks from those families opened my eyes to the amazing mission that is Loaves & Fishes. We had helped each of them cross “feed myself and my family” off their list of urgent concerns, providing for a basic human need.

Client Profile

The holidays would be very sad - brown beans and cornbread - if we didn’t get food here.

— Linda Emswiller

Linda Emswiller, like many of those Loaves & Fishes serves, is a retired senior who lives off Social Security and comes to Loaves & Fishes every month. She says the pantry provides the greatest service to her and her family. Linda and her husband both get the CSFP “senior” box, an additional 30 lbs. of food, each month, to help stretch their budget.

need that many of us never give a second thought for ourselves.

As a board member since 2014 I’ve been amazed at the growth of Loaves & Fishes as an organization. The Nunley Building on Lambs Road gives us the ability to source larger donations of food from our generous community partners and assist more of our neighbors with each shift we are open. Our dedicated staff has grown and evolved to run a large logistics and distribution operation that sources and distributes millions of pounds of food annually to those in the community seeking assistance. Our volunteer pool grew into the thousands since the implementation of our online volunteer management software. Our generous donors have provided capital and operational donations which allow us to fulfill Loaves & Fishes’ mission as we experience continuing growth each year. Our devoted board of 15 members from across the community meets monthly to provide oversight and governance, and to ensure that the organization is continuing to evolve and grow to meet the Loaves & Fishes mission.

The COVID-19 global pandemic brought immediate and consequential changes to the way the pantry needed to operate to continue fulfilling our mission. I am incredibly proud of the staff and core group of volunteers that quickly adjusted to the new normal and continued to distribute food to our neighbors in need in a safe and efficient manner. The generosity of the community during these difficult times has been nothing short of amazing. We have been able to provide a minimum of 100 pounds of healthy food to each family who visits the pantry during a distribution and have increased our capacity to store frozen and refrigerated items due to the continued generosity of our donors. It is with excitement that I look to the future of Loaves & Fishes as we begin to open back up to more volunteers in the coming months while incorporating the lessons learned over the past year into new and exciting ways to fulfill our mission.

I would like to take this opportunity to thank you, the reader of this annual report, for all that you do for Loaves & Fishes in helping us accomplish our mission. Whether you are a volunteer, donor, board member, staff member, all of the above, or just getting involved - your contribution is vital to our success and we appreciate all that you do!

With Greatest Appreciation,

Josh Arbaugh
2019-2020 Board Chair
A Message from the Executive Director
Jane Colony Mills

Dear Friends and Supporters of Loaves & Fishes Food Pantry:

Thank you for making it possible for us to provide food for our community in 2019 and 2020. We are especially grateful to those who became new supporters in 2020 and helped offset the increased expenses of providing food safely during a global pandemic. Although it may sound trite, we could not have given out 2 million pounds of food to more than 53,000 people last year without the support of our community, our volunteers, and our many partners who help us make sure that anyone in our community who needs food knows we are here.

COVID-19 forced us to be more creative and flexible in how we work. We knew we would not and could not stop providing food with kindness and compassion because of a pandemic, particularly when so many of our neighbors were hurting. The pandemic made us rethink how we use volunteers (once 70% of our labor to sort, stock, and distribute food), how to get food to people without bringing them inside the pantry, and how to keep our staff, a much smaller core group of volunteers, and those we serve as safe as possible from exposure to COVID-19 (see page 6). We wear masks and sanitize carts after each visitor, take and log our temperature when we enter the facility, and follow social-distancing, travel, and testing protocols. Since March 2020, we have been distributing food outside, three days a week, rain or shine. These safety measures have paid

off — I am proud that not one staff person working at Loaves & Fishes has contracted COVID-19.

At the same time, we’ve learned a lot from operating outside our comfort zone. Monica Davis, formerly a volunteer, is now our staff dietition (see page 7). She helps choose the food we give out so it is healthier than it was in the past. We have developed and refined standards for providing a minimum of 100 lbs. of food to every household that visits, with more for larger households. Three new staff members who are fluent in Spanish work to make our Hispanic visitors more comfortable. And our community’s amazing support allowed us to add an additional walk-in refrigerator and freezer, enabling us to store and give out more perishable food.

Furthermore, many of those coming for food say they prefer the convenience of receiving their groceries in the parking lot. Now, we are looking to expand access to food by offering food pickups by appointment (instead of first-come, first-served drive-throughs), providing more culturally specific foods, and reintroducing a way for visitors to specify which foods, if any, they do not want.

While we look forward to eventually having more people working with us at the pantry, Loaves & Fishes continues to explore operational modifications that are efficient, provide healthy food that our visitors want, and ensure the safety of all.

Thank you for continuing to support Loaves & Fishes, your Neighbors Nourishing our Neighbors.

Jane Colony Mills
executivedirector@cvilleloaves.org

With the addition of a refrigerated truck in 2019, and more refrigerator and freezer space in 2020, we are better able to keep up with demand while supporting good nutrition. What we distribute to clients is now **70% fresh and frozen foods.**
Pivoting in a Pandemic

Prior to the COVID-19 pandemic, Loaves & Fishes hosted approximately 160 volunteers each week. We offered volunteer opportunities five days a week with 10-12 different jobs most days that individuals of varying ages and physical abilities filled. The pantry relied on volunteers to sort and stock food, greet and check in our clients, and assist them with the selection of their groceries and the loading of groceries into their cars.

On March 14, 2020, the pantry hosted what we then defined as a regular Saturday morning distribution shift with 32 volunteers supporting our operations. In the days following that shift, as more information about the coronavirus became available and the country began to go into lockdown, Loaves & Fishes had to make changes to our operating model for the safety of our clients, volunteers, and staff. The decision to no longer allow clients to ‘shop’ inside the warehouse and instead prepack grocery carts for delivery to clients’ cars resulted in not only a drastic reduction in the number of volunteers needed to support operations, but also a marked increase in the physical demands placed on our volunteers.

In our current COVID-19 operations, to provide adequately socially distanced work areas, 5-6 volunteers support distributions inside the warehouse and 3-4 volunteers work in the parking lot. Inside volunteers must be on their feet for the duration of the 2.5+ hour shift while doing moderate to heavy repetitive lifting, and outside volunteers are delivering grocery carts weighing 150+ pounds in varying weather conditions (heat, cold, wind, rain, and even snow). The pantry also offers several 1-person/family-unit shifts throughout the week to prepack our USDA commodities bags, and off-site volunteers now answer the pantry phone for four hours every Monday through Saturday.

Loaves & Fishes is immensely appreciative of our core team of helpers who have supported us since our change in operations last March. These individuals’ commitment and dedication to our success has allowed us to continue to meet our mission of providing food with kindness and compassion to those seeking assistance, despite a pandemic.

While volunteering with us may not return to what it was prior to March 2020, Loaves & Fishes is focused on a future that allows us to safely expand volunteer engagement and offer more opportunities to those in the community looking to support our operations with their time and energy.
New Staff: Monica Davis, RDN, Pantry Nutritionist

Monica Davis began volunteering at Loaves & Fishes in 2016, demonstrating recipes and offering samples of food being distributed that day. Monica earned a BS in Dietetics from College of St. Benedict in Minnesota and did a one-year internship at St. Luke’s Medical Center in Milwaukee. After college, Monica worked for five years in the Albemarle County Schools as a child nutrition specialist, creating menus and working with employees in the school lunch program. She left the role when she had children and then when her youngest child was in her early teens, Monica looked for ways of getting back into the profession, and we are lucky that she found Loaves & Fishes. Monica joined staff when COVID-19 changed Loaves & Fishes’ operations from largely volunteer labor to a staff-driven model that relies on 25% of the volunteers we were able to use before COVID. Monica takes the lead in determining the nutritional value of the food we distribute, writing a monthly nutrition newsletter we give out with food, and pre-packing bountiful produce bags for each household.

Many clouds have silver linings – and that’s true here. Our visitors are getting more – and more varied – types of produce now. My big drive is taking the fear out of cooking! It’s quite easy to make healthy and delicious food.

Monica noted that when a family cooks together, they can take great pride when they sit down together to enjoy their food.

A generous grant from the Stranahan Foundation allowed us to make the Nutritionist position full-time in 2021 to focus more energy on nutrition education for our visitors. Ms. Davis job-shares with Samantha Van Dyke, RDN, MPH and together they are exploring ways to make the food at Loaves & Fishes more culturally appropriate and accessible for clients.

Gratitude from a Donor

Pantry Workers, thank you for being the heros that you are. These are difficult times & the work load heavier. Bless you all for continuing the mission of caring for our community. — Maurya Batten

Serving Seniors in our Community

Loaves & Fishes participates in the USDA’s CSFP program, which is designed to improve the health of low-income elderly persons at least 60 years of age by supplementing their diets with nutritious USDA foods. Each month, qualified area seniors visiting the pantry or receiving deliveries from Loaves & Fishes receive a 30-pound box of shelf-stable foods, such as milk, juice, cereal, rice or pasta, peanut butter, dry beans, canned meat, poultry, or fish, canned fruits and vegetables, and a two-pound block of cheese. Seniors visiting the pantry also can receive foods from our donated supplies to supplement the CSFP box.

Loaves & Fishes Food Pantry serves all clients regardless of race, color, national origin, age, sex, or disability.
Loaves & Fishes’ mission to provide food for those in our community who need help feeding their households is entirely supported by contributions from the community. We welcome your tax-deductible contribution and hope to welcome volunteers later in 2021.

### Farm to Table

Local farms and food processors donate a significant amount of the fresh food we are able to provide to clients. Loaves & Fishes is delighted to distribute such nutritious food and prevent the waste of still-fresh groceries that are not sold at wholesale or retail. Some local donors routinely set aside a portion of their product to feed our neighbors in need. We are especially grateful to them for their increased generosity during the COVID-19 pandemic. See page 33 for a list of in-kind donors.
Loaves & Fishes Food Pantry, Inc. is a Virginia 501(c)(3) corporation. Our 990 federal income tax returns are available at www.cvilleloaves.org and on Guidestar.org and from the Virginia Department of Agriculture and Consumer Services.
